### **Trillium Solutions Group Announces Brad Vollmert as New Managing Director**

HIGHLAND PARK, IL...Trillium Solutions Group announced today that Brad Vollmert has joined the firm as Managing Director of Trillium Solutions Group Staffing. Mr. Vollmert brings over seventeen years experience in building and growing successful IT staffing and consulting businesses. His experience includes a proven track record in creating and leading technology initiatives that achieve strategic and tactical business objectives. Prior to joining Trillium, Mr. Vollmert held management positions with The Herman Draack Company, Management Recruiters International, Nims Associates and Consultis.

A native of the Chicago area, Mr. Vollmert holds a bachelors degree in Marketing from Northern Illinois University. Mr. Vollmert is a regular speaker for NIU sales classes, is the Chairman of the Leadership Council at his church and is an active supporter and advocate for children with special needs.

Trillium Staffing provides businesses in the Healthcare, Financial Services, Telecom and Associations industries easy access to experienced IT professionals with the flexibility necessary to manage their costs and achieve their goals.

Trillium Solutions Group specializes in helping clients increase sales, improve customer service and reduce IT costs by enabling OnDemand Business Systems via Software as a Service (SaaS). In doing so, Trillium helps firms successfully navigate a wide array of complex issues that affect their business

and the systems that support them. Trillium gives companies the same functions, features and reporting capabilities that Fortune 500 companies have, without the need to acquire the hardware, software or the people run them.
